School of Computing
CISC 498 Fall 2023
PROJECT ACCEPTANCE FORM

The undersigned agree to the conditions of the project carried out in the above-reference course (the "Project"):

- All software developed in the Project ("Software") shall be owned by its individuals who develop the Software. The undersigned students and supervisor hereby grant the customer a non-exclusive, royalty-free license to use their interest in the Software for any non-commercial purpose. The undersigned customer hereby grants to Queen's University a non-exclusive, royalty-free license to use its interest in the Software for internal research and education purposes.

- The customer agrees to be accessible to students as is reasonably required to complete the Project, to attend the students' presentations and to participate in the evaluation of the students' work.

- The supervisor agrees to provide guidance to the students as reasonably required to complete the Project.

- The students agree to consult with the customer on an ongoing basis while completing the requirements of this course and to be respectful of the customer's time in so doing.

Project title: _____

Students:

1.
   _____ _____ _____
   (Printed)   (Signed)   (Date)

2.
   _____ _____ _____
   (Printed)   (Signed)   (Date)

3.
   _____ _____ _____
   (Printed)   (Signed)   (Date)

4.
   _____ _____ _____
   (Printed)   (Signed)   (Date)

5.
   _____ _____ _____
   (Printed)   (Signed)   (Date)

Customer:

   _____ _____ _____
